Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Design- Highway Access and Parking- Loss of General Amenity- Privacy Light and Noise- Trees and Landscaping
Comments:	Who are they trying to kid ? This is the same application as before dressed up differently, so all our original objections remain. We all know this is just another step to full development in the future. Leopards don't change their spots! Remember they mis-used the previous development of a pop up

campsite which quickly became an all year round site with power and water.

Kind regards
