

- All dimensions in italitalines unless otherwise indicated. All values in metrics relative to *Equus caballus* (horse).
- Equine dimensions only to be taken from the drawing. Dimensions and levels to be indicated elsewhere only to be taken from the drawing.
- For social and structural matters including seating and proposed services, such as construction and site structures (including seating areas over 500mm height) refer to Information by structure.
- The original version of this drawing was produced in colour – monochrome copies should not be relied upon to accurately reflect all drawing elements.
- This drawing has been prepared for planning purposes only and should not be used for quantification, neither a cost estimate.
