**Subject:** DC/25/1941 - Greenacres Hurston Lane - EH response

Dear Kate,

We have reviewed the above application and have the following comments to make:

1. Could the applicant provide a letter from the water provider to confirm that they have agreed to connect the development?
2. Should the borehole supply be connected to any of the dwellings for potable water use in the future, Environmental Health must be notified.

Kind regards,

**Isabelle Carter**

Scientific Officer (Environmental Protection)
