### Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment:

Comments:	This Committee has concerns relating to the history of this site and is aware that works have previously been carried out without permission and notes that this application is retrospective. This committee feels that this application may improve the look of the site and that if HDC were minded to grant permission for this application that conditions should be applied to ensure that it remains ancillary to the running of the nursery not any other business and that the business and all deliveries should run during core business hours.

Kind regards
