### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Design</li><li>- Other</li></ul>
Comments:	Horsham District needs more housing. This proposal makes sensible use of derelict buildings on a disused contractors yard. Residential use is far more suitable in this attractive rural setting, with limited/light residential traffic better suited to small country lanes than large contractors vehicles which are a hazard. The site benefits from an existing entrance to Saucelands Lane, plenty of parking. These attractive barn-style houses are well suited to the rural setting.

Kind regards
