Reasons for comment:	<ul style="list-style-type: none"><li>- Design</li><li>- Highway Access and Parking</li><li>- Overdevelopment</li></ul>
Comments:	Not only do I believe we have enough houses on this development with not enough schools in this area but allowing the road to go through to Carter drive is a massive safety issue. The current roads in Carter drive can only handle a single road traffic

but also there is not enough footpaths to walk around. As it stands family's walk around in the roads for this reason. Plus you are attracting so much traffic through this part and putting everyone safety at risk
