Stance: Customer objects to the Planning Application

Reasons for comment: - Overdevelopment

Comments: I object to the proposed project. It will create more traffic to Solomon's seal development and push all ford cars currently parked there to no doubt seek parking on the development causing residents unnecessary stress and blocking streets. Making development unsafe. Already increased bad parking at the entrance will be more magnified.

It will no doubt infringe on safety of children walking that way as will block already poor visibility on getting out of the estate.

Kind regards
