Reasons for comment:	<ul style="list-style-type: none">- Design- Highway Access and Parking- Loss of General Amenity- Overdevelopment- Privacy Light and Noise- Trees and Landscaping
Comments:	Please do not let this go access. Church Lane will not cope with access. The wildlife in this bit of land I have been watching for over 27 years. How can it be destroyed and built on? It is also

currently in flood so another reason not to build on. It will completely spoil the views of the river for so many people

Kind regards
