Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Other- Privacy Light and Noise
Comments:	The access to the site is on a derestricted road, on a blind bend and will create a huge danger to anyone accessing and exiting the site and to passing traffic. As a close neighbour I am fully aware of the issues of joining the main road and would warn of the increased risk of accidents and potential fatalities in allowing this development to go ahead

Kind regards
