### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Design</li><li>- Highway Access and Parking</li><li>- Overdevelopment</li></ul>
Comments:	This section of Hayes Lane already has access issues and lots of road parking and pinch points, making it quite dangerous to pull out of your driveway.

This seems a lot of extra cars and potential parking problems (as developers never provide enough parking for modern families in new houses that are built.

If you live in a village you need a car (especially as recently one of the bus services has been cut)

The number of houses must reflect these parking and access difficulties
