Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	The access to this development is on a blind bend, making entry and exit dangerous. I'm also concerned about the environmental impact of running electricity, water, drainage and sewage from the new dwellings. Furthermore it seems the current owner is using the site for fly tipping, dumping all sorts of refuse there.

Kind regards
