### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Loss of General Amenity</li><li>- Overdevelopment</li><li>- Privacy Light and Noise</li></ul>
Comments:	The proposed plans are not suitable for this area of regular communal use by local families, dog walkers and children attending the nearby school. The land is presumably still under Highway's maintenance responsibility as the Council has been maintaining it since its purchase. The construction work would severely impact communal park land since there is no suitable

road access to the site, causing a concern for the safety of children on their way to the playground, or to school, compounding the existing scarcity of parking spaces in this cul de sac and also creating a worrying precedent of using and disrupting (possibly damaging) communal land for the benefit of private interests.

---
