Comments Details

Commenter Type:	Neighbour
-----------------	-----------

Stance:	Customer made comments in support of the Planning Application
---------	---

Reasons for comment:	<ul style="list-style-type: none">- Design- Privacy Light and Noise- Trees and Landscaping
----------------------	--

Comments:	Hard to comment on this as was unable to see in the associated documents where the house is situated or its design. What we said about the last application was "that we were generally supportive of the application but as much as possible wanted to ensure we were not overlooked."
