Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Shermanbury Parish Council have no objections to the application however, they would like conditions imposed to ensure ALL the trees on the previous plan must remain. The new plans do not show the very large trees previously highlighted which council feel will offer screening to the site and ensure the local vernacular is retained.

Kind regards
