Hi Stephanie

Thank you for the added plans.

Swept path and bin collection points look fine.  
No concerns with them.

Many thanks

Dear Josh,

I hope this finds you well.

Following up on your previous response, the applicant provided the attached plan which shows collection points and below is a snip from the Traffic Assessment which includes the splays for the site access:

Could you let me know today if this addresses your concerns?

Many thanks,  
Steph
