I wish to make the following objections to the above planning application ref DC/25/1019 (1) This development will damage the landscape of the hamlet Small Dole  
(2) There is no infrastructure to support more housing eg. Shops, schools and medical facilities.  
(3) The entrance/exit is dangerous because there is a blind summit on the Shoreham Road preventing visibility of oncoming traffic  
(4) An extra 45 families needing to use cars for shopping and work travel, more pollution.
