Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Design- Highway Access and Parking- Other- Overdevelopment
Comments:	How can Miller Homes be awarded another development in our town/ village? As far as I'm aware they have failed in a number of planning obligations in the development I live in (Mulberry Fields), and I've been here since it was first built and seen the constant

questions raised by residents completely ignored by this developer. The standard of their work is appalling, especially when you compare it to the Broadacres Development. In addition, the increased traffic flow on a development that already has a poor road layout will lead to disaster, with a lot of young children at risk of being hit by vehicles. Unless there is another access to this new site I strongly object.

Kind regards
