Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Other- Overdevelopment
Comments:	I object to the planning not only will it disrupt the estate there are not enough amenities the children are all already struggling to get school placements and being sent to burgess hill and steyning, the dentist is full, getting an appointment at the doctors is impossible so a further 82 houses will just add the the issues and

make the situation worse we need more schools and services
before more houses are built

Kind regards
