**Comments:** Dear Mr Holmes

The proposal for the Development of land at Church Farm is fundamentally contrary to the Upper Beeding Neighbourhood Plan 2018-2031, which was formally adopted following a local referendum in May 2021. The Plan carries full statutory weight and was prepared following extensive public consultation and a detailed, evidence-led appraisal of potential development sites

undertaken by AECOM on behalf of the Parish Council.

As part of that process, the site at Church Farm which is the subject of this application was specifically assessed and concluded to be "not currently developable." Consequently, it was deliberately excluded from the Neighbourhood Plan as adopted.

The Neighbourhood Plan is explicit in its intent, stating that "any potential application for development not within the remit of the Neighbourhood Plan is unlikely to be approved." This application directly conflicts with that principle.
