Thank you for the opportunity to comment on the above numbered planning application. This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. In respect to the above planning application I would provide the following comments.

Footpath (FP)1632 runs along the eastern boundary of the site but is also a D class Highway, Wickhurst Lane. I note the intention to provide a cycle link onto it. As a D class Highway, my Highways Colleagues will determine the appropriateness of allowing cycling along it.
