Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Other</li></ul>
Comments:	<ol style="list-style-type: none"><li>1. Traffic: Have any studies been done to determine the effect of vastly increased traffic movements into and out of Furners Lane ( which at the location suggested on the plans is a single track road)?</li><li>2. Henfield Neighbourhood Plan: Given that this Plan supports the provision of 'Single storey</li></ol>

dwellings' how many of the proposed properties are in reality single storey? As far as I can ascertain, zero.
