| Comments: | I use this park every day. I am concerned about loss of access. We have lost enough green spaces in Horsham already. What an intrusion of privacy for the existing houses in this area. How is vehicular access going to work? There's not enough parking in the surrounding area as it is. The noise and mess created by a build in this area will impact me |

greatly. I specifically bought a house that backed onto a park for the peace and quiet.

Kind regards
