Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment
Comments:	This proposal will contribute to an increasing urbanisation of what is very much a rural scene. The Henfield neighbourhood plan has identified tourism as a long term growth driver for area with the Adur river, the Downs Link and the nearby South Downs National Park all providing strong reasons for visiting the locality. The proposal will reduce the attractiveness of the area for tourism and therefore negatively impact the economic prosperity of Henfield.

Kind regards
