Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Design</li><li>- Privacy Light and Noise</li></ul>
Comments:	I object to the proposed building of a 3 storey block of flats on the southern /roadside boundary of the Bellway/Woodfords/Cloverfields development on Shipley Road. This would overlook the Meeting House of the Plymouth Brethren, a very private religious group, and it would overlook Shipley Road.

This is not in keeping with the semi-rural character of the area (there are no three storey buildings in Shipley Road) and it would create light pollution, impacting already stressed wildlife.

The proposal also includes other three storey homes within the development. None of these are in accordance with the Shipley Neighbourhood Plan.

Their Planning Statement claims to have introduced a 'softening of built form across the site but particularly on the southern edge of the site", but this conflicts with a block of flats.
