Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Other</li></ul>
Comments:	I am of the opinion that the access to the estate is too small to support the traffic required to build these houses. In addition there is no evidence of any Fire Hydrants on the estate, which with the depth of the extra houses will with limited access be dangerous

Kind regards
