Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

- Highway Access and Parking
- Overdevelopment
- Trees and Landscaping

Comments: As previously reported by numerous planning inspectors excessive development on the site of Parsons Field Stables and land West of Parsons Field Stables does impact negatively on the rural character and appearance of the countryside surrounding it. The 2 x static caravans and associated day rooms detailed on this application along side the caravans and associated day room and

stabling already permitted on the site, when added together, completely change the visual impact of the small rural community and dominate it. The requirement by Horsham District Council to provide pitches is not a valid reason to support the unsustainable, inappropriate nature of this application.

Kind regards
