Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Design- Highway Access and Parking- Loss of General Amenity- Overdevelopment- Privacy Light and Noise- Trees and Landscaping
Comments:	As someone who has grown up in the village from a very small age, knowing all the surrounding neighbours who will definitely object to the plans. I also object as I have grown up around the farm.. The traffic this will cause coming in and out of the village

will cause major problems and the negative affect the pollution will have on the wildlife and having homes built with a a junction opposite Mackey industrial estate would be very dangerous as a lot of people tend to speed through the village. .

Kind regards
