Reasons for comment:	<ul style="list-style-type: none">- Design- Highway Access and Parking- Loss of General Amenity- Other- Overdevelopment- Privacy Light and Noise- Trees and Landscaping
Comments:	I strongly believe this is not a good idea to be building on this land,as this end of small dole is busy enough with all the traffic (hgv, cars, van) coming in and out of mackley industrial estate.it

would be madness to put another junction dead opposite.
Its also very unfair on the wildlife that uses these lands to nest
burrow and breed throughout the seasons..

Kind regards
