Subject: Re: Land West of Ifield - Homes England application DC/25/1312

OFFICIAL

Dear Jason,

Apologies for the delay, I have now heard back, and our formal comments are below:

Thank you for consulting Network Rail on the above application. As part of our consultation process we have consulted with the Train Operating Company for the local station, Ifield Station. We do not believe this development will have a significant impact on the station, however we would welcome discussions regarding some improvements towards the station building and facilities. These could include contributions towards enhanced cycle provision, towards decoration of the station or towards enhancement of station access.

We would welcome discussion with the developer/ applicant on the above matters.

Kind Regards,
Jasmine.
