Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Design- Highway Access and Parking- Overdevelopment- Privacy Light and Noise- Trees and Landscaping
Comments:	the green grass has been covered in rubble to allow mobile homes to be put there. The hedges have been decimated by a

massive hole that has denied all the wildlife their habitat. Trees that are intrusive have been planted and do not go with the old established trees. The fencing is not in keeping with listed local houses. The land beyond Parsons Field is flooded a good deal in the winter - what will happen to that area? The large gates do not go with any of the local properties.

Kind regards
