Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	The A281 is very busy with numerous traffic accidents over the years, adding 4 new homes will add traffic, in an area, where it's a 60 mph stretch and visibility is poor to access the road and turn into the development. I live behind the development, and have concerns about the noise. Also, the area has been used as a dumping ground lately with

number builder rubble spread across the area. From this and other sites.

Kind regards
