Reasons for comment: - Loss of General Amenity

Comments: There has been a lot of development in North Horsham (Mowbray development). Access to the countryside on foot for dog walking becomes harder to reach without having to drive to a location. This means that any green amenities within the area are becoming a more valuable resource. I have walked around the field and enjoyed the sense of space for a number of years. The loss of this amenity will have a detrimental impact on the neighbourhood.  
Please don't allow such 'infilling' in front of houses set a precedent... it will only be a matter of time that other green spaces such as in Shepherds Way and Greenfields Road will also be subject to construction of single bungalows - changing the nature of the neighbourhood to the detriment of all.

Kind regards
