Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Loss of General Amenity</li><li>- Other</li><li>- Trees and Landscaping</li></ul>
Comments:	I would like to object because if a house is built there, it will reduce the space where children can play, and parking and traffic will become more difficult. The road is already narrow, and since there is only one path leading to the park, it is a congested area. It would also damage the natural scenery, so I strongly oppose it.

Kind regards
