Comments:	Myself [REDACTED] use this park regularly, and would be really upset if this portion of the park is taken away. There are enough houses in this area and too many cars already. A new house DOES NOT need to be built, if they want to live in the area then purchase a house that is for sale locally. I am also concerned what damage would be done to the rest of the park with heavy machine, workmen etc. This build is totally unnecessary!!

Kind regards
