Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Other- Overdevelopment
Comments:	<p>Objection reason; Lorry/van traffic going down Rowlands whilst the building is going on - safety to neighbours and children accessing schools in the area - crossing Rowlands and Greenfields.</p> <p>Lorry/van traffic driving on field and near play area. It is upsetting to know that our beautiful field will be torn to shreds and heavy</p>

goood vehicles will be a danger to our young people accessing the play area.

Wellbeing for residence in the area who walk around the field, will be effected.

Wild Life in the area, we have a beatiful fox family who live in the field as well as birds in yhr hedgerowe. This will no doubt effect them.

Also, having seen the buildings on Shepards Way near the church empty for a good couple of years, why are houses being built that noone wants to live in?

Are there not enough building being built around Bohunt?

Kind regards
