Comments:	I totally support the build for Leonardslee Gardens. It will give our local community extra jobs, and with the extra café within the shop will be most welcome to people that even just pop to the shop. The gardens isn't just a garden, it has also helped so many with mental health issues also, as the gardens gives you peace and tranquillity. The Streeters have done so much to improve the gardens to keep them open and all is positive improvements. The toilet at the engine house will be most welcome to the older generation for their convenience.

Kind regards
