Comments:	<p>I feel you should not allow this building work to go ahead. The lane is too small to take more heavy traffic, the kids now walk over the bridge to school. There is a play group in the hall with youngsters so would be way to dangerous. But most of all there is so much wildlife bats owls [REDACTED] And all the wild flowers . , this would be just so awful to disturb and no doubt Destroy. This area is very beautiful and as it is sussex is being destroyed by so much building work, can the schools parking . Doctors. Etc cope with extra buildings,I don't think so . So please don't allow more building we need to save our wildlife.</p>

Kind regards
