### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Loss of General Amenity</li><li>- Overdevelopment</li><li>- Trees and Landscaping</li></ul>
Comments:	Henfield has absorbed more than its fair share of these pitches, too many for the size of the village. The idea of a broad geographic allocation of sites is laughable. Find one place, and swamp it! How yet another site in Henfield is consistent with HDC Planning guidelines is open to question - eg issues such as safe

access, transport links, loss of amenity and yet more harm to the environment. Reject this application!
