Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Other</li><li>- Overdevelopment</li></ul>
Comments:	<p>I would like to support this application for a couple of reasons, firstly is that it is better for the local area for a single dwelling at this time rather than in a couple of years we could see the land being overdevelopment.</p> <p>The stable block as it is at the moment looks a little untidy and tired.</p>

Kind regards
