Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Other
Comments:	There are multiple issues why I object to this development: - our health infrastructure in West Sussex is already not coping: - too little GP appointments - too little hospital beds/care homes/carers - as a hospital doctor and manager we are already not coping with the amount of patients - the issue of water neutrality: - we have a water shortage in West Sussex, I need to prepare a water neutrality statement if i want to build anything - 10.000 homes can not be water neutral Thank you for considering my objections

Kind regards
