Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Overdevelopment- Privacy Light and Noise
Comments:	This application will just bring more traffic, more noise, more people yet no increase in access to public services, no new

schools, no new doctors, quality of life for people who currently live here decreases. I know this objection will make no difference whatsoever as I have lost faith in the local and national councils.

Thank you for reducing the quality of life for the people in the surrounding area .

Kind regards
