| Comments: | <p>This is a ridiculous development. You are over developing small villages. If I wanted to live in a place like Milton Keynes, I'd move there.</p> <p>What is the plan for the extra pollution? What is the plan for the extra traffic? What is the plan for extra school places needed?</p> |

We have no GP for miles, and have to wait for apps at local surgeries. What is the plan for this?
There will be a loss of habitat for animals/ insects etc. What is the plan to compensate for this?
We have been threatened with hose pipe bans, how will you ensure sufficient water for the village with the 100s of new homes?

Kind regards
