Crime Commissioner consultee comments

Good morning Jason,

Thank you for the below email.

I am currently discussing the below matter with our Legal Team with regards to another Local Authority (A non-CIL charging authority).

As such, at this current time we will not be continuing to make a case for those contributions requested in the Homes England letter.

However, we would still like to make a case for the ANPR infrastructure listed in our response.

Please could you pass this back to Homes England for their consideration.

Kind regards,

**Jane Thatcher 44206 (MRTPI)**
