### Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	Our property has right of access along the Southernmost part of the land which is proposed for the above development. That access is adjacent to No 1 Jolesfield Cottages extending from the gate on the B2135 to our gate on the North west corner of our field. As that access is for equestrian use, including vehicular access for safe loading and transport of horses, we would be very

concerned that it should not be compromised by any development and should be preserved.
