ODear Sir

I would like to register my objection to this planning application on road safety grounds. I live near Parsons Stables Field and have witnessed several collisions in Pickhurst Lane in recent years. Pickhurst lane is a narrow winding lane with passing places in a rural area. The increase in traffic from PSF is considerable with motor bikes ((without silencers), fast trotting pony and Carts, and heavy goods vehicles.

I trust the planning authority will give this application serious consideration and refuse it.

Kind regards,
