Reasons for comment:	<ul style="list-style-type: none"><li>- Overdevelopment</li><li>- Trees and Landscaping</li></ul>
Comments:	My family and I moved out of Brighton for a quiet village lifestyle. Now, four years on there are at least three applications to build in the village and land up for sale for possible development. When will you stop! This lovely village will be spoilt, over populated and it is not sustainable. Our lovely British villages will be no more and importantly, it is detrimental to the environment.

Kind regards
