## Comments summary

Dear Sir/Madam,

Planning Application comments have been made. A summary of the comments is provided below.

Comments were submitted at 17/10/2025 3:31 AM.

### Application Summary

**Address:** Land West of Ifield Charlwood Road Ifield West Sussex

**Proposal:** Hybrid planning application (part outline and part full planning application) for a phased, mixed use development comprising: A full element covering enabling infrastructure including the Crawley Western Multi-Modal Corridor (Phase 1, including access from Charlwood Road and crossing points) and access infrastructure to enable servicing and delivery of secondary school site and future development, including access to Rusper Road, supported by associated infrastructure, utilities and works, alongside: An outline element (with all matters reserved) including up to 3,000 residential homes (Class C2 and C3), commercial, business and service (Class E), general industrial (Class B2), storage or distribution (Class B8), hotel (Class C1), community and education facilities (Use Classes F1 and F2), gypsy and traveller pitches (sui generis), public open space with sports pitches, recreation, play and ancillary facilities, landscaping, water abstraction boreholes and associated infrastructure, utilities and works, including pedestrian and cycle routes and enabling demolition. This hybrid planning application is for a phased development intended to be capable of coming forward in distinct and separable phases and/or plots in a severable way.[cr]

**Case Officer:** Jason Hawkes

**Address:** 9 Cumbernauld Walk Crawley

## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Overdevelopment</li><li>- Trees and Landscaping</li></ul>
Comments:	This is where my family and I usually go to for long walks from Bewbush and is a wonderful landscape. Facilities are already overcrowded and with high Woodale behind us, we have firsthand experience with this nature of mass development. For the love of God, think about keeping some of our towns's beauty in nature.

Kind regards
