Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Loss of General Amenity- Overdevelopment- Privacy Light and Noise
Comments:	This development will cause unnecessary damage to local green belt land, and cause excessive noise levels. Local traffic will be affected causing obstruction, and massive delays. Further to this, the houses are not needed in Crawley. You want 3000 new houses, build them in your own back yard, and do not dump the extra strain on the Crawley infrastructure and amenities.
