### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	I am writing to object strongly to the planned removal of the avenue of cedar trees that the latest plan proposes. It was my understanding that keeping the iconic avenue of trees was a condition of the planning application. The felling of mature hardwood trees should only be considered

as a last resort or because of disease. They will be a wildlife habitat that has taken many decades to establish.
