Stance: Customer objects to the Planning Application

---

Reasons for comment: - Design  
- Highway Access and Parking  
- Overdevelopment

Comments: In my opinion the planning already granted on this site is over development, and to try and squeeze more onto the same site is outrageous!

The number of cars and associated commercial vehicles that will access the site, from a narrow lane on a blind bend is frankly dangerous. It is an accident waiting to happen.

---

The design can hardly be said to blend in, on the contrary, it will effectively increase Lambs Green from 16 to 24 properties.

I strongly oppose the plan.

---

Kind regards
